Summary

B. Tech CSE student passionate about full-stack web development with hands-on experience in MERN stack. Eager to contribute to scalable web applications and RESTful API development. Actively solving problems on LeetCode and building real-world projects.

Education

JECRC University, Jaipur, Rajasthan

CSE | CGPA: 7.4 / 10 | 2022 – 2026

LK Singhania Education Centre, Gotan, Rajasthan (CBSE)

Senior Secondary Examination (XII) | **82%** | Physics, Chemistry, Math | 2022

Secondary Examination (X) | **91.2%** | 2020

Technical Skills

- **Languages & Environments:** C++, JavaScript(ES6+) (Ongoing)
- **Frameworks & Libraries:** Node.js, Express.js, React.js
- **Database:** MongoDB, Mongoose
- **Tools:** Git, GitHub, Postman, VS Code
- **CS Core:** REST APIs, DBMS, Computer Networks

Projects

Food Buzzz | Food Delivery Web Application | MongoDB | Express.js | React.js | Node.js | [Github](#)

- Implemented user authentication, product listing, cart functionality, and dynamic order management using React Hooks, Context API, and useReducer.
- Integrated MongoDB Atlas for cloud database storage and Mongoose for schema modeling and data validation.
- Created RESTful APIs using Express.js and handled asynchronous operations via async/await and Promises in Node.js.
- Designed responsive UI with Bootstrap 5 and used React Portals for enhanced component rendering and modals.

Amazon Clone – Frontend eCommerce App | HTML, CSS, Vanilla JavaScript | [Github](#)

- Developed a fully responsive Amazon-style frontend with dynamic product listings, cart management, and intuitive UI.
- Used DOM manipulation to implement “Add to Cart,” product quantity tracking, and price calculation.
- Focused on writing modular, clean JavaScript code and creating mobile-first designs.

Achievements

- **GeeksforGeeks** - 160 Days of Problem Solving (Ongoing)
- Solved **100+ DSA** problems across **Leetcode** and **GFG**
- Coordinated multiple college events

Personal & Interpersonal Skills

- Leadership & Event Coordination
- Effective Time Management
- Collaborative mindset with a positive attitude
